

AMBLESIDE OCALA

December 2017

Forget the former things, do not dwell on the past. See I am doing a new thing! Now it springs up, do you not perceive it? I am making a way in the wilderness and streams in the wasteland." Isaiah 43:18-19

"The mystery of a person, indeed, in ever divine, to him that has a sense for the godlike." ~ Carlyle

This week, teachers from around the country are gathered on our campus with for an internship with Ambleside Schools International under the leadership of Dr. Bill St. Cyr. The goal of this training is to help them acquire a more comprehensive view of an Ambleside education and the philosophy behind it. After study and discussion of Charlotte Mason's philosophy, interns spent time observing in classrooms and discussing the lessons they observed together.

How grateful I am for this precious community- students, teachers, families' alike. I am also struck by a sense of belonging to a much bigger picture-- the schools and communities that make up the entire ASI network worldwide. I'm awestruck by the ways God has woven the threads of our guests into the growing tapestry of the work, and I give thanks for the fullness of life found in following Christ our Savior.

We need your help to make the 12th Annual Father-Daughter Dance a success! Just a reminder each family is responsible for securing \$250 in sponsorships for the dance. Please let us know which businesses we can credit to your family sponsorship. If you need help contacting businesses our committee members (Misty Kinsey, Tyler Emmons, Leslie Simpson and Heather Richards) are happy to help you.

This is our only fundraiser and the funds raised this year will go towards the refurbishment of the ASO High School building, adding a pavilion to our lunch area and as always to cover any expected fiscal shortfalls in our operating expenses as we continue to provide a life-giving, Christ-centered education for our students.

Ambleside Boy's Basketball Team

by Tyler Emmons

In November our Ambleside Boy's Basketball team played in its first official game. Our worthy first opponent were the St. John Saints, who expected to enjoy a certain home court advantage. I happened to attend St. John myself, from 6th through 12th grade and walking in to the gym for our recent matchup brought back great memories of the 12 or maybe even 24 total points that I scored during my high school basketball career.

At the start of the game our players were perhaps a bit nervous but were certainly comforted and filled with confidence by the support of the crowd that came to cheer them on. By the second half of the game we were starting to gain some good momentum and the team showed poise and played great defense. By the end of the game the Ambleside Skylarks had persisted and prevailed with a somewhat surprising but very well deserved win in overtime. The boys played their hearts out, did a great job of working together, communicating well and listening to the guidance from their coaches. But just as remarkable as the game itself, was the crowd support. My friends and family that were sitting on the St. John side of the gym have all commented on the enthusiasm and rousing cheers that the Ambleside crowd gave (you know who you are, Josh Head). The entire event was thrilling and a lot of fun. I think it was a fantastic example of what sports can be at its potential and a storybook first game.

When I reflect on that game day now the word that keeps surfacing in my mind is community. The heart that the team showed in their persistent effort during the game, the physical presence of the Ambleside crowd, and their vocal and enthusiastic cheers all were a small microcosm of a community. It is the same thing that stands out to me time and time again when I spend time with the people that make up this school. This is a real community, the kind that I think God wants for us and created us to be a part of! I was initially shocked at the amount of people that showed up to support the team. I should not have been, it is the same support I see on campus on a daily basis as the staff cares for these students, as the parents care for one another, as the students care for each other.

While I truly love the Ambleside community, we are all part of many small communities here in Ocala; our churches, our workplaces, our neighborhoods, our city. December has now arrived and we celebrate the arrival of our Savior, who also happens to be our biggest cheerleader. This month especially I hope that we carve time out of our hectic schedules to cheer on someone who needs it, to share the joy that Christ has given us with those in our community.

Go Skylarks!

⁹ Let love be genuine. Abhor what is evil; hold fast to what is good. ¹⁰ Love one another with brotherly affection. Outdo one another in showing honor. ¹¹ Do not be slothful in zeal, be fervent in spirit, ¹² serve the Lord. ¹² Rejoice in hope, be patient in tribulation, be constant in prayer. ¹³ Contribute to the needs of the saints and seek to show hospitality.

¹⁴ Bless those who persecute you; bless and do not curse them. ¹⁵ Rejoice with those who rejoice, weep with those who weep.
